

First Unitarian Universalist Church

1727 Walden Lane SW, Rochester, MN 55902

(507) 282-5209

Photo/Video Opt-out Form

Church policy allows us to include photos of adult staff, members, friends, and guests or visitors, without identification by name, in church publicity such as in public areas of our church website and social media, without authorization and without notice. However, we will honor an individual's preference not to have his or her photo appear in such media if we are given notice by the individual on a form provided by the church.

Complete and return this form to the church office ONLY if you do NOT want any photo or video of you to appear in church publicity images, including postings on the public areas of the website and social media.

This opt-out request is valid indefinitely. If you change your mind about your photo or video being used, please contact the church office.
