

**Financial Stewardship Program Team  
Autumn Meeting  
November 11, 2021**

Members Present: Rob Harveland, John Helmers, Connie Schuelka  
Visitors Present: Linda Thompson

Notes:

1. Board Report from Rob Harveland, treasurer:

The board concurred with the decision to postpone the auction from the fall to the spring, in hopes of having a more inclusive in-person live auction.

The tours of the property that could be donated for a new church are ending for the winter. A vote has yet to be scheduled for the two questions currently before us: Do we stay or do we go? Do we want to build on the donated property?

2. Report from Connie Schuelka, congregational administrator:

A video switcher has been installed on the sanctuary audio/visual system. This will allow live streams to move between the camera and the computer. It will also allow picture-in-picture.

The church received a bequest from James Broadbent of \$22,374.57. This will be added to the Endowment Account.

\$1,743.50 was sent to Catholic Charities Refugee Resettlement from our October shared plate.

3. Further discussion was held on the spring auction. We will plan on an April 30<sup>th</sup> live auction with the silent and fixed price auctions held from April 24<sup>th</sup> to April 29<sup>th</sup> online. April 20<sup>th</sup> will be the deadline for auction submission.
4. Visitor concerns were heard on issues of accessibility of the monthly financial reports, the auction, the Building Our Future budget, and shared ministry.
5. Our next team meeting will be on February 9, 2022.
